

FOUNDED IN 1893

EFFICIENT DISTRIBUTION

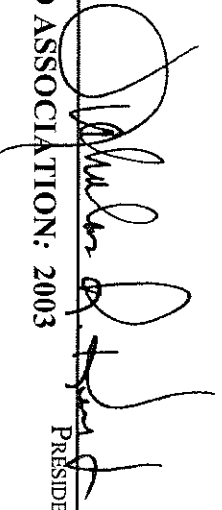

This certifies that

CORRECT BUILDING PRODUCTS

is a Member

NAWLA is organized to enhance the standing and reputation of wholesale forest products distributors as essential factors in the forest products industry; to aid in the more efficient distribution of forest products and related build-

ing materials and to cooperate with all branches of the lumber industry in constructive programs for the advancement of the industry in such manner as will best serve the needs of the industry and protect the interests of the public.
